Report:

- Shropshire Councillor Turner has secured an agreement with the Police and Crime Commissioner. Clerk has to send application to for the project directly to him. This will be the cheapest option.
- The West Mercia we don't buy crime are keen to start and will work with the electoral role clerk holds.
- Next step is to apply for funds and wait for a response.
- I think then the we don't buy crime team will start their work with the parish council.
- In order to progress the project a working party or delegation to the clerk needs to take place to work with the we don't buy crime team to deliver the project.
